### Challenge:

Do we respond to God's name in these ways? – Purposely – freely – sacrificially – joyfully – gratefully – and continually?

When the world looks at us, do they see these qualities in our behavior?

When our church family looks at us, do they see these qualities in our behavior?

When our family looks at us, do they see these qualities in our behavior?

When only God can see us, does He see these qualities in our behavior?
